

BEYOND WORDS

Verse 1:

Like the rising
And the setting of the sun
Oh Your timing is set
Your will be done
Like a candle glowing
Through my darkest night
You're my bearer of hope
You light my path

Pre-Chorus:

You are Lord of all
You're indescribable
And I am convinced
You are so much more

Chorus 1:

You are marvelous
There is nothing like
Your beauty and wonder
All the heavens speak
The breadth of Your splendor
You're the Author of all life
And my Maker
You're beyond compare
The Word beyond words

Verse 2:

Like a flower blooming in
The height of spring
Through the winter
There is hope for me to sing
Like the ocean
That shapes the jagged shore
You consume me
All my sins You bore

Pre-Chorus:

You are Lord of all
You're indescribable
And I am convinced
You are so much more

Chorus 2:

You are marvelous
There is nothing like
Your beauty and wonder
All the heavens speak
The breadth of Your splendor
You're the Author of all life
And my Maker
You're beyond compare

Chorus 3:

You are glorious
There is nothing like
Your wisdom and power
All creation bows to You
In surrender
You are seated
On Your throne forever
You're beyond compare
The Word beyond words

Bridge: - (2X)

The song can never say
Can never gauge Your limitless ways
But still I worship Your name
You hear what my lips fail to say
