Verse 1:

How long
Will You hide Your face from me
Will You ever turn this night to day
How long
Will this darkness ever end
Will you ever hear my desperate plea

Pre-Chorus 1:

Long before when everything began
You've already held me in your heart
Long before I knew and saw it come
You have seen the ending at the start

Chorus:

Even as You give and take away
I'll praise You
I'll praise You
Though my eyes can't see
I'll trust Your ways
I'll bless Your Name
I'll bless Your Name

Verse 2:

I know
That Your plans for me are sure
And You love me through eternity
I know
That You work things for my good
So with faith I'll worship and I'll sing

Pre-Chorus 2:

Long before when everything began
You've already held me in your heart
Long before I knew and saw it come
You have seen the ending at the start
At the start

Chorus:

Even as You give and take away
I'll praise You
I'll praise You
Though my eyes can't see
I'll trust Your ways
I'll bless Your Name
I'll bless Your Name

Bridge: - (2X)

I trust beyond what I see
For You are for me
My God You go before me
And You are with me
I know that You are working
I trust You're moving
For You are for me

Chorus:

Even as You give and take away
I'll praise You
I'll praise You
Though my eyes can't see
I'll trust Your ways
I'll bless Your Name
I'll bless Your Name
