Verse 1:

You hide
I want to find You Go
And I will follow You
I want to be where You are
As You move
I'm right beside You Lord
I'm running after You
I want to be where You are

Chorus:

I'm chasing You
I'm so in love
Captivated
I just can't get enough
I'll spend my days
Running after Your heart
Your heart
Your heart
I'm chasing You
With all my love
Captivated
I just can't get enough
I'll spend my days
Running after Your heart
Your heart
Your heart

Verse 2:

Heart
You've won me heart and soul
And where You lead I'll go
I want to be where You are
From the moment I rise
To the moment I sleep
My affection is for You
And even as I dream
I want to know You
I'm after Your heart

Chorus:

I'm chasing You
I'm so in love
Captivated
I just can't get enough
I'll spend my days
Running after Your heart
Your heart
Your heart
I'm chasing You
With all my love
Captivated
I just can't get enough
I'll spend my days
Running after Your heart
Your heart
Your heart

Bridge:

This life
This love
Was always meant to be
A wild crazy adventure
Discovering
The thrill
The rush
The more of You I see
The more it leaves me wanting
You're everything
You're everything

Chorus:

I'm chasing You
I'm so in love
Captivated
I just can't get enough
I'll spend my days
Running after Your heart
Your heart
Your heart
I'm chasing You
With all my love
Captivated
I just can't get enough
I'll spend my days
Running after Your heart
Your heart
Your heart
