### **Verse 1:**

He did not look back  
He did not hesitate  
He gave His life away, He is Love  
Our Savior came  
To seek and save the lost  
He is the only way, He is Love

### **Pre-Chorus:**

Through Him we overcome  
Through Him we overcome

### **Chorus 1:**

Jesus, You're alive  
You're alive in us  
Nothing can separate us from  
The love that You give away  
Jesus, You're the Truth  
You are the Life  
We dance in freedom  
We dance in freedom  
'Cause You set us free

### **Verse 2:**

He paid the price  
He took our guilt and shame  
He made a way for us to see His light  
Now standing strong  
We fix our eyes on Him  
He alone is good, He is Love

### **Pre-Chorus:**

Through Him we overcome  
Through Him we overcome

### **Chorus 1:**

Jesus, You're alive  
You're alive in us  
Nothing can separate us from  
The love that You give away  
Jesus, You're the Truth  
You are the Life  
We dance in freedom  
We dance in freedom  
'Cause You set us free

### **Bridge: - (2X)**

Woa-o-o-ohh  
I am living in freedom  
Living in freedom  
Woa-o-o-ohh  
Jesus lives inside of me  
Now I am alive and free  
Woa-o-o-ohh  
I am living in freedom  
Living in freedom  
Woa-o-o-ohh  
Jesus lives inside of me

### **Tag:**

Now I am alive and free

### **Pre-Chorus: - (2X)**

Through Him we overcome  
Through Him we overcome

### **Chorus 2:**

Jesus, You're alive  
You're alive in us  
Nothing can separate us from  
The love that You give away  
Jesus, You're the Truth  
You are the Life  
We dance in Your freedom  
We dance in Your freedom  
You set us free  
You set us free  
You set us free  
You set us free
