### Verse 1:

Through the darkest night  
I know that You're my guide  
Though the journey's long  
You never let me go

### Pre-Chorus:

I believe in what You can do  
When You speak  
I am made new  
With one touch  
I am made pure  
Jesus I believe  
Jesus I believe

### Chorus:

Healer of the broken  
Savior of the fallen  
You make all things new  
Restoring all that's barren  
You break through every dead end  
You make all things new

### Verse 2:

When my hope seems lost  
I'll look up to the cross  
As I wait to heal  
Your plans You will reveal

### Pre-Chorus:

I believe in what You can do  
When You speak  
I am made new  
With one touch  
I am made pure  
Jesus I believe  
Jesus I believe

### Chorus:

Healer of the broken  
Savior of the fallen  
You make all things new  
Restoring all that's barren  
You break through every dead end  
You make all things new

### Bridge 1: - (2X)

Oh God I cry out  
On knees I fall down  
I believe in You  
Now I surrender  
My life forever  
I believe in You

### Bridge 2:

Oh God I cry out  
On knees I fall down  
I believe in You  
Now I surrender  
My life forever  
Jesus I believe  
Jesus I believe

### Chorus: - (3X)

Healer of the broken  
Savior of the fallen  
You make all things new  
Restoring all that's barren  
You break through every dead end  
You make all things new
