Someday you'll hear our children's laughter  
In a world with no words no tears  
Someday you'll see men on bended knees  
Humbly praying for peace and for love

Let's love our neighbor  
Join hands with others  
As we walk to heaven together  
Someday the winds with children's laughter  
Sing this song with no battle cry

Just hear their voice a message of angels  
For us mortals the wings of our hope  
From above our message from  
God to us children  
United in love our world will be glad

I believe in the people of our nations  
To join and to care for love  
I believe in a world and giving a love  
Will make heaven on earth  
Yes I believe

I believe in the people of our nations  
To join and to care for love  
I believe in a world and giving a love  
Will make heaven on earth

I believe
