Verse 1:

Here in the moment of surrender I find
Your perfect love
Consuming my sin and pride
I'm out of hiding now
I'm found by your grace
What a Savior

Pre-Chorus:

So with open arms I sing
Now I let my walls come down
Let your presence fill me now

Chorus:

I receive your love
By your grace I have been saved
I receive this life
By your cross I've been set free
You are everything
You are enough for me
You're all I need

Verse 2:

You're the breaking of
A new dawn I find
A life unshackled from
The chains of my past
No longer bound in prison
Forgiven and freed by the Savior
What a Savior

Pre-Chorus:

So with open arms I sing
Now I let my walls come down
Let your presence fill me now

Chorus:

I receive your love
By your grace I have been saved
I receive this life
By your cross I've been set free
You are everything
You are enough for me
You're all I need

Bridge: - (3X)

I give my heart
I give my soul
I give my strength
Lord take control
With all my life
With all my breath
With all I am
I give my all
