Old things have passed away
Your love has stayed the same
Your constant grace remains the cornerstone
Things that we thought were dead
Are breathing in life again
You cause your Son to shine on darkest nights

For all that You've done, we will pour out our love
This will be our anthem song
Jesus we love you
Oh how we love you
You are the one our, our hearts adore

The hopeless have found their hope
The orphans now have a home
All that was lost has found its place in You
You lift our weary head
You make us strong instead
You took these rags and made us beautiful

For all that You've done, we will pour out our love
This will be our anthem song

Jesus we love you
Oh how we love you
You are the one our, our hearts adore
Jesus we love you
Oh how we love you
You are the one our, our hearts adore
Our hearts adore
(We adore you)
Our hearts adore
Our hearts adore

Our affection, our devotion
Poured out on the feet of Jesus
Our affection, our devotion
Poured out on the feet of Jesus
Our affection, our devotion
Poured out on the feet of Jesus
Our affection, our devotion
Poured out on the feet of

Jesus we love you
Oh how we love you
You are the one our, our hearts adore
Jesus we love you
Oh how we love you
You are the one our, our hearts adore
Jesus we love you
Oh how we love you
You are the one our, our hearts adore

Just sing out a new song today

Oh how we love you
Oh you are worthy, Jesus
Of our love, our adoration
We love you, God
Oh lift your voice
Oh we love you
Oh we love you
Oh how we love you

Sing Jesus
Oh Jesus we love you
Oh how we love you
You are the one our, our hearts adore
