**Verse:**

There's a river glowing out  
From your presence  
You fill my cup to overflow  
There's a fire burning bright  
In Your spirit  
You fill my heart  
You won't let go  
You won't let go

**Pre-Chorus:**

So I place my life in Yours  
Cause You gave Your life for mine  
There is nothing that  
Can ever break your Love

**Chorus:**

You are my lifeline  
You are my lifeline  
You are my lifeline

**Verse 2:**

There is life moving through  
All creation  
You set it all in motion  
Nothing stands in between  
Our connection  
You made a way  
You made a way

**Pre-Chorus:**

So I place my life in Yours  
Cause You gave Your life for mine  
There is nothing that  
Can ever break your Love

**Chorus:**

You are my lifeline  
You are my lifeline  
You are my lifeline
